Testimonials

The greater community of Burnet, Llano and Marble Falls, as well as the local media have been enthusiastic supporters of the Highland Lakes Honor Guard and its Mission. Below are some of the many accolades that the Honor Guard has received.

Dear Commander Provost and the HLHG, I want to sincerely thank you and your team for the flag folding ceremony at my father's funeral service for Col Roy J. Ginder, USAF. Numerous people who attended the service had not seen or heard the meaning of a flag folding ceremony. It was quite moving to them. As a military dependent and USAFA Cadet I had been present at numerous ceremonies. Each time as with this ceremony I was moved to tears. You honored my father well and I thank you for that. Enclosed you will find a donation for \$1,000 to help fund your mission. May God Bless you and your team, Daniel Ginder.

Karl, a short note to thank you and your team (Max, Gary, Mike J) for supporting "Folds of Honor" Charity Golf Event: Legacy Cup 2024, Cap Rock Golf Club, to honor Gold Star Families, lost Veterans, and Lost First Responders, 28 Oct 24. Best, Ron Doherty, Tournament Planner and Director.

Karl Provost and the Highland Lakes Honor Guard, thank you so much for the time you spent honoring Gussie's military service. You made meeting and talking to you very easy and we as a family gained respect for the service you do – as veterans for veterans. This donation is to help support such a volunteer service for veterans and their families. Thank you, Peggie Bullock

Highland Lakes Honor Guard, please accept this donation in Honor of Edward C. Bullock from the Bullock family. Thank you so much for the military service you provided at the funeral ! We appreciate it so much and all that you do. Much appreciation, the family of Edward C Bullock

Dear Members of the Highland Lakes Honor Guard,
My heartfelt thanks to you for honoring my husband, J H Smith, in our church, First Baptist Llano, on May 13 of this year. He worked for the US Government as a civil servant for 42 years. His type of work did not call for him shedding his blood, but plenty of tears and sweat. He saved lives and the tax payer's money by his expertise in quality control of aircraft parts, manufacturing, and replacement. During our sixty five years of marriage he taught Bible school almost every Sunday, loving both adults and children. His love of country was outstanding, and his love of family will long be cherished.
Thanks again for your service! Sarah P Smith

To: Commander Karl Provost, Deputy Commander, Max Lantz

Your organization was kind enough to render honors to our Father, Father-in-law, Grandfather, and Great Grandfather on Friday September 20, 2024. The ceremony added immeasurably to the occasion and meant so very much to all of us. You were graceful, kind, dignified, reverent, and were extremely meaningful to all of us. I cannot put a price on what you brought to us, but I would like to make a small donation to help you bring your wonderful ceremony to others. I am enclosing my check in the amount of \$1,000 along with our very deep gratitude. Sincerely, Kathi and Charles Flournoy, Daughter and Son-in-law

Commander, On behalf of the Matzinger family, I want to express my thanks and gratitude for the ceremony you and your team performed for Frank G. Matzinger in Horseshoe Bay. It was very well done, professional, solemn, and respectful. Thank you very much, Sincerely, Michael Dubraec

Karl & Max, Good morning, gentlemen. Thank you for your service!

It was my sincere pleasure to meet you on Saturday, 8/17, at the interment service for Walter "Buster" Allen Dooley, Sr. Buster was my uncle and inspiration for joining and retiring from the Air Force (1978-1998). More importantly, he was a decorated Air Force veteran having served honorably in Vietnam and the Cold War.

Thank you for extending military honors to Buster. Your professionalism in doing so extended the honor due to my personal hero, adding much to the service. I heard numerous laudatory comments from others in the family.

Thanks, again! V/R, MSgt Leslie E. Amidon, USAF, Retired

Dear Friends,

Our Church will be celebrating its 150th Anniversary in August, 2024. God has richly blessed our little congregation and to celebrate this occasion, we want to extend His joy and blessings to our community by honoring those who contribute in so many ways to the people of Burnet.

We are pleased to present this check to you as a token of God's love and our appreciation for the work that you do to support and honor our military in the Highland Lakes area. While we pray for all helpers in our community each week, please know that we have been lifting the Highland Lakes Honor Guard in prayer for the month of July. May God continue to bless your organization.

In Christ, The Congregation of Burnet Presbyterian Church

Dear Commander Provost,

It was indeed a pleasure to meet you and your esteemed Honor Guard colleagues at my Father's (Colonel Ralph White) graveside service. Your team performed the duties with great respect, professionalism, and excellent military bearing. Your dress white uniforms and polished brass set the stage for a formal and reverent memorial. Most of my family had never heard the detailed meaning of every fold of the flag. Great job! We were all very pleased and those of us that knew firsthand of the effort required to spit shine boots to pass inspection were especially appreciative.

My Air Force Academy graduate nephew (Colonel White's grandson) said, "I've seen many honor guards presenting the flag but this one, symbolically infused with patriotism and Christian spiritual values, was phenomenal".

Thank you for honoring my father. Please pass on our gratitude to the rest of the detail.
Sincerely, R.W.White, Jr., US Army Retired

To Commander Charles Taylor, Vice Commander Karl Provost, and All Honor Guard Members:

Words can hardly express our thanks to you for the incredibly moving and powerful ceremony performed at Dad's service. My son and his wife, Andy and Heidi Truitt, both Air Force Academy graduates, said it was by far the very best honor guard observance they had ever seen. Heidi had been an honor guard during her 4 years at the AFA, and she was most impressed with your presentation. Not she nor Andy nor anyone had heard the narration of the symbolism of each flag fold. It was astonishingly memorable. Your commendable voluntary service at these funerals is an invaluable blessing for us and for all in the Highland Lakes area. I know that Dad was honored and pleased with every detail, thanks to you. I pray you and all your members will continue to preside at each and every military memorial in the days to come. With love and gratitude, Jody Carol Bosworth.

With Thanks, Your kindness is greatly appreciated. Thank you for the meaningful and wonderful ceremony presented to Col Darrel "Biscuit" Burris. Your group is so appreciated and professional. Thank you for the flag and other gifts, Sherri Wisener and Col Burris

Your GENEROSITY means more than it's possible to say and is truly APPRECIATED. Thank you for your continued service – it's a very special gift you give to veterans' families. God Bless, Jackie Garrow

HLHG, Thank you for honoring Frank at our graveside service. Our years together in the Air Force will always be in my heart. Yours truly, Judy.

I want to thank you for this. I was going to bring him back home to Texas but I want to remember the good memories of Texas not the sorrow. Sending the clipping they did for us last year for Veteran's Day. That way you will know more about him and I. Enclosed is a few dollars to pay for your time and effort to all of you. If you are up this way, I live in North Idaho, God's Country of beauty, I would like you to stop in and stay a while. My Dad's name was Charles also and I called him Charlie. Again, thank you men for all this for my husband Gary.

Thankyou Gentlemen for doing this for Gary, my husband. He was raised in Marble falls till he went into the service. My friends arranged this service for me. Thank you all so much for your kind gesture, Love Crystal.

It is with great appreciation that I send you this memory card honoring my sweet father, Roy Peterson. The Military Honor Guard detail with Pall Bearers, sounding of taps with bugler, flag folding ceremony, rifle salute, spent shell casing presentation, and presentation of the flag were all very special and truly a most meaningful part of the funeral services. You see, my dad loved his country deeply. He was a pilot for more than 30 years, served two tours in

Vietnam, and was a devoted patriot. He believed in the American dream. At his lake house in Kingsland, and later at his home in Legends Parkway, he always had fresh, large flags flying proudly, to include US, USAF, Texas, and the Cowboys. When my children visited from Colorado while they were young, there would always be a flag ceremony every morning and night to put up the flag and take it down. They were taught to respect these symbols and saluted them. It meant something sacred. So Charles, Max, Dennie, David, Karl, Mike, Matt, and Darran, thank you, from the bottom of my heart for providing this service to honor Dad's passing from this world to the next.

The boys and I would like to offer our heartfelt thanks to each member of the Highland Lakes Honor Guard who participated in the services for David Custer. Your support truly made a difference during this difficult time. Love, Dawn and the boys

Cleola A. Fusilier in memory of Willis Rutledge "Rut" Fusilier with the following: "During a time like this we realize how much our friends and relatives really mean to us. Your expression of sympathy will always be remembered. Thanks for honoring Rut. It meant a lot to the family."

Dear Honor Guard,

Thank you for the beautiful ceremony you performed for my husband. He was very proud of his military service but also very humble. I know he would appreciate your service.

The gentleman in his Marine uniform was so impressive and made me understand what "Once a Marine always a Marine" really meant. Our doorbell even plays "The Marine Hymn" so he was still very much a proud Marine. Thank you for your service!

Highland Lakes Honor Guard:

Thank you so much for the honor you gave our father at his last resting place. It was so moving to see all the men and women there to give respect to him. The ceremony was so moving and when you explained each fold of the flag, it was so important. I had lost my husband in 2010 and was presented the flag, but I did not know the meaning of each fold until my mother gave me paperwork that explained it. I know this is a small donation but if it helps your organization to continue it is so worth it. What each one of you in this organization is doing is so important to the ones left behind. My sister and I were so grateful to have your presence there. God bless each of you.
Sincerely,

Highland Lakes Honor Guard:

Let me convey our thanks for a job well done at our Wreaths Across America Veterans Program in Sunrise Beach and also a thank you to Harvey Klee for his program at the cemetery. It is a pleasure working with you all.

To the Highland Lakes Honor Guard, Thank you very much for the beautiful flag ceremony at the rosary for our beloved father and husband (name withheld). It was so very patriotic and we know (name) would be very proud.

We would like to sincerely thank you for the wonderful presentation you did at Richard Fisher's graveside services. Words can never express how much it meant to us and i know Papa would have been so humbled.

Thank you!

Commander,

My mom asked me to thank all of you for the services you provided for my dad, a D-Day +1 veteran (Utah Beach) at Marble Falls on May 5th. On such a sad day, your moving ceremony and gentle conversation helped our wounded hearts a little. We now have two flags, Memorial Day and veteran's Day will be a lot harder. The measure of men is taken from the things they do when they don't have to.

Sir, Words alone cannot express the gratitude I have for the ceremony that then Highland Lakes Honor Guard performed at my Dad's funeral on May 21. The flag folding ceremony and TAPS will forever be in my memory. May God bless each and every one of you.

With appreciation for all you do – this contribution may help sustain a remarkable service.
(Family members)

Dear Highland Lakes Honor Guard,

We want you all to know what a blessing your beautiful and special service was to our family and everyone attending Ronald's funeral. We are still talking about it. The beautiful flag presentation was so touching and meant so much to his twin brother. May God bless you as you serve those that have served us.

To all members of the Highland Lakes Honor Guard:

My heartfelt thank you for the wonderful ceremony honoring our dad, Barney Lee Halliburten, on February 11. He would have been so proud of all of you for your dedication

to honoring our Military. He was a wonderful man who loved his country.

This donation is given by the Blended Families Sunday School class at First Baptist Church Garland in Garland, Texas. Thank you so much for all that you did to make this a memorable occasion for (name withheld) and her family. Fondest Regards,

I want to personally thank you for helping us and many folks here in Llano County and beyond honoring the deceased veterans during this Christmas season. Without your help, the day we set the Wreaths Across America wreaths on the veterans graves, would not have been as efficient and a true honor. We certainly do appreciate your participation in our First Annual Wreath Laying Ceremony at the Llano Cemetery with wreaths also placed in Bluffton and in Kingsland. We also want to wish you and your families the very Merriest of Christmas's and a happy New Year. Sincerely, Chris Putnam, CFSP Putnam Funeral Homes & Crematory

Dear Friends,
With deepest gratitude we say thank you for your special ceremony at Jim's service. Everyone especially liked the mention of God in some of your readings. It was a comforting feeling being surrounded by military in uniform – also knowing the military take care of their fallen comrades.
Sincerely and fondly,

Please accept this small donation from the family of (name withheld), from whom you provided a very moving and meaningful military honors ceremony. On behalf of the family, thank you first for your service to our country, and second for the service you so selflessly and thoughtfully provide to surviving family members. (signed, a family friend)

Thank you all from the bottom of my heart. (Name Withheld) would have been as impressed with the 21-gun salute at his memorial September 1st. This isn't much – wish I could send more. Bless you all. Sincerely,

A Musical Note of Thanks from Joni,
(Patriot's Day Program – Marble Falls United Methodist Church)

To the Highland lakes Honor Guard –such pride and dedication you brought into our program.
Joni Bedard, Music Director

Honor Guard,

Your part of our Dad's service was truly amazing. Everyone commented on how beautiful and moving the flag folding was for them. The whole world should view your service and remember our hero's Thank you so much.

The Family of ... wish to thank you for the beautiful tribute you paid to our Dad...on Saturday 2-12-11 at Highland Lakes Hills Memorial Park. He served our country with pride and loved to tell the grandchildren about his adventures and they never forget it. He was awarded a Purple Heart for 2 injuries he received. He drove a tank, trucks and personal driver for his commander (in WW II). He would have loved knowing how he was honored.

The service touched all the loved ones there. Thanks to all of you for continuing to serve our country and all who served. It was a beautiful ending to a sad day. We send a donation in his honor. Not a lot but with love.

(HLHG NOTE: Although donations are appreciated. all military funeral honors are rendered free of charge and are offered by the HLHG with that understanding.)

The Family of...would like to say thanks for showing your respect to our husband/father. What a great job. This touched us and we know Dad would have enjoyed the service and said, "Well Done!"

Thank you for the service you and the Guard performed at my Dad's funeral. It was an inspiring, emotional and professional performance and will be remembered always.

First of all I would like to thank you and the remainder of your troop for your service to our great nation. Secondly I would like to thank you, on behalf of the Wills family, as I am sure they share my feeling of indebtedness for Tony's service as well as your obvious commitment to the traditions of our nation's armed forces and our fallen comrades. As a former member of the Honor guard of the United States Army, First Cavalry Division I had the honor of folding, inspecting, and kneeling in front of several loved ones to present the flag. During that time, though I personally knew none of the soldiers, there was never a time that I was able to perform my duties with a dry eye. Although it has been several years since I had the honor of attending another service with military honors, your presentation yesterday had the very same effect on my heart, and many of those around me, and once again brought those same tears of respect and pride. With that said, I commend you on your professionalism, discipline, presentation and willingness to continue to honor those of us who have, without regard of themselves, protected our Country, our States, our Counties, or our Cities.

May you all be blessed for your efforts and commitment. Definitely above and beyond the call of duty.

Thank you so much for the beautiful service you provided for Poppa. He was proud to have served our country. None of our grandchildren had seen a military service and they were all

very impressed! I think it was wonderful that our young people got to see the way you honor one of our own. Thanks again!

Thank you so much for the honor guard ceremony you provided during the services for (name withheld). Many people told us that they have never seen such a moving and memorable tribute. Each and every one of you are so special to do this for our veterans and retirees. We will always remember how moving the ceremony was and how honored Dad would have been.

Thank you so much for the beautiful job you all did at our loved one's funeral. It will be gratefully and long remembered.

Words cannot express my deepest heartfelt gratitude for the honor you bestowed – not only to my father but also how much it meant to my mother, myself and all of dad's family and friends to have you there. I know my dad would have been so very proud. Thank you for taking the time out of your lives to honor others.

May God speed!

I am so happy with all you provided for my husband... You were all so kind. I will never forget you and the things you did.

To the Highland Lakes Honor Guard:

I wish to express my deepest appreciation for your presentation during my husband's Celebration of Life Service on June 12th. You were able to honor him in such a meaningful and beautiful way. I thank each of you from the bottom of my heart.

On Sunday, May 30th, our church observed Memorial Day with the most memorable observance of this day that I can recall in my lifetime... a day when we paid tribute to those who gave their all for our country... remembering the POWs and MIAs. The Highland Lakes Honor Guard presented their POW/MIA White Table Ceremony under the direction of Charlie Taylor, Commander, and Harvey Klee, Chaplain. It was a very moving ceremony causing many in attendance to shed a few tears. This was definitely a service we will remember for many, many years to come.

We give our heartfelt thanks and sincere appreciation to the Honor Guard for this beautiful ceremony... reminding us of those fallen heroes who fought that we might have the freedom we enjoy today and that... reminding us once again... **FREEDOM IS NOT FREE!**

On behalf of all the communities surrounding the Highland Lakes and the area civic clubs and churches, I want to thank you for making the National Day of Prayer such a meaningful event. The service that you provide brings honor to the nation.

When all the bills are processed and all the clubs "chip in" some lunch money, I am hopeful we will send \$2,000 to the Warrior & Family Support Center at BAMC. That alone will make all the time and effort worthwhile.

Dear Commander Taylor and Honor Guard Members,

On behalf of Burnet CISD I would like to personally like to thank you for your participation once again in Veterans Day Ceremony. This event could not have been a success without the help of you and the many other volunteers who donated their time.

Your enthusiasm, professional manner, and presentation captured the attention of the students and brought honor to the Veterans and their families. Because of your donation of time and effort, our fourth and fifth grade students came away from the ceremony with a better understanding of the sacrifices that were made and continue to be made to protect our nation's freedom. Your dedication to honoring and participating in the armed forces is an inspiration to our community.

Once again, thank you for your willingness to recognize our local veterans, and thank you for your service to our great nation!

Sincerely,

Marble Falls Chamber of Commerce

Gentlemen,

Your tribute to your fellow comrades, those still missing, and our beloved country presented last night at First Methodist Church in Marble Falls was the most meaningful service to recognize Memorial Day I have ever had the privilege to attend. We all need to be reminded more often of the valiant service that our men have rendered to keep this land strong and safe for all of us, especially at a time like this when we are at war.

I will treasure even more than I did before the flag given in memory of my husband, Colonel (name withheld). We failed to witness the flag folding ceremony at his funeral, so this presentation was ever so special to me. Thank you all so much for including this in your performance. The flag rests in a special showcase over his medals, and I will think of last night each time I see it.

God bless you all for reminding us of how greatly blessed we are to be living in the greatest, most honorable and generous nation on earth. God bless America,"...[H]ow wonderful the Honor Guard program was this evening. I am so glad I got back and could be there. It is sad for me to admit at my age that I learned a lot tonight about our military tributes, the flag, etc. So fantastic. A very nice tribute to (name withheld). Very special that (name withheld) had them use his flag as part of the service. I was in the back and there were many eyes being wiped throughout the program. I think this program should be presented at the middle & high schools. (name withheld) was sitting next to me – I'm sure he or (name withheld) could give the group a good contact. I just couldn't stay behind and see everyone as I have been up since 4:00 California time this morning and will soon be heading for bed.

Blessings to all,
